Dear Member

Police Staff Pay

Well done for all your efforts these last few weeks.

The Police Staff ballot results were as follows;

Turnout **62%**

Rejection **85%, with 74% of those members prepared to take action.**

The joint Trade Unions met on Wednesday 4th May and both GMB and Unison members have voted 2 to 1 in favour of accepting the offer.

Unfortunately as we are part of a tri-party agreement for National bargaining then the employer will be notified that the Trade Unions have accepted the offer.

The Unite Police Staff shop stewards committee will be meeting to discuss our options in due course.

Thanks again for all your hard work and continued commitment.

Regards

Graham McNab
